

Carpets

Grounded Rugs

This rug mimics natural landscapes and can define spaces and create transitions, just like a grassy meadow gives way to a flowing stream.

Bio Stones Rugs

Children are creatures of nature and eager to discover and explore this world. This unique area rug incorporates a biophilic color palette anchored by broad organic forms that engages the senses while creating a sense of calm that supports effective teaching and inspired learning.

Feeling Natural Carpets

Surround children with the natural textures and comforting colors of nature. Feeling Natural™ evokes a sense of freshness and freedom of the outdoors.

Grown Up Rug

Inspired by the push and pull of the built world versus nature, these trend-setting designs push the boundaries of classroom design by showcasing flooring in a more connected way...these rugs mimic natural landscapes and can define spaces and create transitions, just like a grassy meadow gives way to a flowing stream.
