

krug Healthcare Furnishings

Krug is highly focused on bringing exceptional and aesthetic value to the market. They do this by using a dynamic, customer-centered development process, and some of the best product design minds in the business.

Let's explore some of their most popular products...

Jordan Active Patient Recliner

Lighter-scaled, lower weight and dimensionally smaller than most recliners, but maintains comfortable proportions for extended sitting, resting and treatment.

Jordan Sleeper

Taking sleep seating products to a new level. The sleeper is extended easily, using a pull handle that is neatly tucked away when not in use.
