## Soft Seating

### Tub

A tub chair that surrounds the person seated in it, providing a shield from the outside world, and allowing creativity to flow unhindered.

### Kae

The Kae tiered pieces provide a collaborative space for brainstorming. Creative use of the 5 different shapes enables an entire room to be outfitted with the Kae.

### Leo

Leo is a curved bench, which, when placed together, can create unique setups that are excellent for collaboration between students.

### Lax

The Lax collection is a lightweight de-escalation style chair, that provides easy and comfortable lounging for all ages.

### Joy

The Joy Collection brings an element of sophistication to any environment, while comfortably seating both young and old alike. Joy is available in a one, two and three-seat configuration.

### Ace

The Ace Collection was created with diversity in mind. Whether you have a small or large space catering to children or adults, Ace provides plenty of seating options for either collaboration or independence and enables you to create your unique look and layout.

## Highway Table

Elegantly simple collaborative, bar and counter height, work table program. Highway features optional easy-access surface-embedded or under work surface power/data ports.

## Shift+ Base

Height-adjustable teacher's desk.

## Training Tables

Training made easy. Designed for schools, offices, event centers and other commercial applications, this portable training table makes event set up and break down a snap with dual wheel casters, single-lever folding, and space saving nesting capability.

## Hubub Laptop Table

Hubub Tables were created in a more artisanal, fashion-forward approach. The materials, shapes and colors were thought of in unison when crafting this very personal piece which takes on a sculptural appearance.

## 4000 Series Seating

The 4000 series features automatic or manual uplift seat that allows for safer, wider seating rows when unoccupied. The durable X-Frame design and comfortable seating options make the 4000 portable folding chairs the standard folding chair among the most sought after arenas and venues across the country.

## ODIS Stacking Desk

From classes and training to impromptu group meetings, ODIS delivers ultimate versatility. Scaled for adult (29"H) or a youth (23"H) with tops of laminate or veneer and a wide offering of standard powder coat colors. Designed to flex with the demands of dynamic spaces, it is petite in size, easily portable and stacks on a transport cart.

## Lecture Theatre Seating

Seating that is the perfect choice for lecture theatres in schools, colleges and universities!

### LT System

The LT fixed system features a continuous writing ledge that can be installed onto existing tiering, or, we can supply a fixed substructure where required.

### Folding Tablets

Folding writing tablets offer the maximum flexibility for learning environments; when the seat is occupied, the writing tablet can either be deployed or stowed beneath the seat.
