What Makes flexxform Unique?

Because One Size Doesn't Fit All

Have you ever noticed the lack of child-sized soft seating in our society? Possibly not, but here at Flexxform Designs, we did. Perhaps you've never watched a child swinging their legs to keep their feet from falling asleep...but we have. And maybe you've never seen a child sit cross-legged (with dirty shoes!) on a sofa, because the seat depth didn't accommodate their short legs. But we noticed.

We've also noticed that education is so much more than sitting at a desk and memorizing facts. Today's schools have become a realm where students can discover their talents and build 21st century skills. But collaboration, creativity, communication, flexibility - just to name a few of these skills - aren't easy to achieve in traditional school furniture.

Introducing - Flexxform Soft Seating. As adults, we've experienced just how relaxed different types of sofas can make us. We've also proved that when we are relaxed, we are more willing to express ourselves and dive deeply into our creative and collaborative sides. But how can children do this, stuck on an oversized or uncomfortable chair that doesn't quite fit their size?

As a result, we have designed soft seating sized for children. And not only that: we also ensure that every chair design is offered in both child and adult sizes, meaning you can ensure continuity of design throughout any environment, while accommodating all ages.

We ensure every sofa is created with the devotion that young children deserve. Every piece in our seating collection features top-grade foam and is upholstered in a high-quality, easy-to-clean, vinyl that is made to last.

**Soft Seating Sized For
Both Adults & Children**

What Makes flexxform Unique?

We Factor In Cleanability

All of our graded-in vinyls are specifically selected to ensure that every one of our products are easy to clean. Our stocked "Challenger" Vinyl can be cleaned with Oxivir TB, Opeis 146 Multi-quat Concentrate, Oxivir TB Wipes, Accel Prevention Wipes, Accel Prevention Concentrate, Isopropyl Alcohol, Virox 5 (concentrated), Oxivir Plus Concentrate, Regular Bleach, and Accel Fire TB.

But that all sounds complex. In simpler terms, the "Challenger" Vinyl also has anti-stain, anti-bacterial, and anti-mildew properties, which means a simple soap and water will generally clean up any spill or stain!

All of Our Products are Manufactured in North America

We've put special focus on sourcing our componentry from domestic sources, and every one of our products are manufactured right here in North America.

The **Ace** Collection was created with diversity in mind. Whether you have a small or large space catering to children or adults, Ace provides plenty of seating options for either collaboration or independence and enables you to create your unique look and layout.

Features:

- Wide range of different modules for increased versatility
- Engineered plywood and bracketing provide enhanced durability
- Nylon-webbed seat deck ensures ultimate comfort
- A heavy-duty ganging system is intuitive and easy to install
- Foam is CAL TB117-2013 Fire Compliant
- High density foam resists flattening for longer life and enhanced comfort

Options:

- Junior (recommended for ages up to 10) and senior sizing (recommended for ages 10+)
- Contrasting fabrics on seat and back
- Ganging brackets available - 1 bracket per 2 pieces
- Power/USB options for senior sizing
- Choice of wood or metal leg for senior size only

Available with or without arms, the **Ana** Lounge Collection combines clean design lines with 'good ole days' comfort. Ana fits well into any environment by enhancing the space with a more modern aesthetic.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched with the use of India tape to ensure long-lasting quality
- The frame has a solid oak base, with a beechwood frame
- All joints are stapled and glued for long-lasting quality
- Springs are covered in fabric to prevent any squeaking from foam rubbing on the metal springs
- The sides of the chair have 1" thick foam to soften the edges
- High density foam resists flattening for longer life and enhanced comfort

Options:

- Junior (recommended for ages up to 10) and senior sizing (recommended for ages 10+)
- Contrasting fabrics available on seat and back
- Available as single, two, and three seater
- Available with or without arms
- Tablet arms and cup holders available for senior sizing

The **Bay** Lounge Seating Collection features gentle curves, robust internal steel construction, and plenty of clearance area below the seat, making it easy to clean under and around. Additionally, the seat cushions are removable and replaceable for cleaning purposes.

Features:

- The contoured back panel is constructed of laminated, high-density hardwood veneers using an RF process and a UF resin with very low off-gas emissions
- The cut foam contains environmental-friendly bio-based materials and is California TB117-2013 Compliant
- High density foam resists flattening for longer life and enhanced comfort
- Legs are made of European Beech hardwood and have non-marking glides
- Seat and back upholstery are field replaceable 14-gauge internal steel seat frame for enhanced structural integrity
- Wallsaver leg design protects walls from damage
- Nylon glides protect floors from damage

Options:

- Junior (recommended for ages up to 10) and senior sizing (recommended for ages 10+)
- Available as single, two, and three seater
- Cleanout gap available for senior sizing

Bay

The **Era** Collection is a contemporary variation of the traditional club chair. Built with multiple layers of foam that provides enhanced comfort, Era is a sofa that suits virtually any space and will blend in well with its surroundings.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched with India tape to ensure long-lasting quality
- Frame constructed of 3/4" birch plywood
- 1.5" tall non-marring poly legs to protect the floor from damage
- Springs are covered in fabric to prevent any squeaking from foam rubbing on the metal springs
- The sides of the sofas have 1" thick foam to soften the edges
- All joints are stapled and glued for long-lasting quality
- High density foam resists flattening for longer life and enhanced comfort

Options:

- Junior (recommended for ages up to 10) and senior sizing (recommended for ages 10+)
- Contrasting fabrics available on seat and back
- Available as single, two, and three seater
- Tablet arms and cup holders available for senior sizing

11

12

The **Gem** Lounge Collection features a softer aesthetic with rounded corners that ensure long-lasting quality in any high-traffic area. Gem also features a seamless seat front that provides enhanced cleanability and durability.

Features:

- All joints are stapled and glued for long-lasting quality
- The foam contains environmental-friendly bio-based materials and is California TB117-2013 Compliant.
- High density foam resists flattening for longer life and enhanced comfort
- Legs come with a non-marking glide

Options:

- Junior (recommended for ages up to 10) and senior sizing (recommended for ages 10+)
- Available as single, two, and three seater
- Available in a wide range of upholstery
- Available in multiple wood or metal legs color options for senior sizing

While all of our products are designed with children in mind, **Hue** was specifically designed for the youngest. Hue is a simple, classic piece, where attention to detail is the primary focus. All Hue chairs including the loveseat and sofa are comfortable, lightweight, and use non-marking glides to protect the floor against damage.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched with the use of India tape to ensure long-lasting quality
- The frame has a solid oak base, with a beechwood frame
- All joints are stapled and glued for long-lasting quality
- Springs are covered in fabric to prevent any squeaking from foam rubbing on the metal springs
- The sides of the chair have 1" thick foam to soften the edges
- High density foam resists flattening for longer life and enhanced comfort

Options:

- Junior (recommended for ages up to 10) and senior sizing (recommended for ages 10+)
- Available as single, two, and three seater
- Contrasting fabrics available on seat and back
- Available with black plastic or silver metal legs for senior sizing
- Available with removable seat cushion for senior sizing
- Tablet arms and cup holders available for senior sizing

The **Ivy** Collection features a robust metal sled base design that provides additional strength and an attractive, contemporary aesthetic. The sled base is equipped with low-profile nylon glides to protect the floor from damage.

Features:

- Seat and back utilize boxed 1/2" plywood construction, with individual pieces interlocked, stapled, and glued for added strength
- Sled style chair legs weldments are made of 16 gauge 1 1/2 x 1/2" tubing and powder coated for long life
- High density foam resists flattening for longer life and enhanced comfort
- Foam is CAL TB117-2013 Fire Compliant
- Concealed clean-out space between seat and back
- No visible fasteners

Options:

- Junior (recommended for ages up to 10) and senior sizing (recommended for ages 10+)
- Available as single, two, and three seater
- Contrasting fabrics available on seat and back
- Power/USB options for senior sizing
- Metal sled base - with color options

The **Joy** Lounge Collection offers modern wing-back styling and a spacious seat for all ages. The Joy Collection brings an element of sophistication to any environment, while comfortably seating both young and old alike.

- Available as single, two, and three seater
- Contrasting fabrics available on seat and back
- Available with removable seat cushion for senior sizing

Joy

The **Sea** collection is a classic. With its classic roll arms, and homey feel, it provides a haven for students amongst the pressures of life. Its clean, straight lines display 'no added fluff', giving it a simple feel, and in this case, simple is better!

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched with the use of India tape to ensure long-lasting quality
- The frame has a solid oak base, with a beechwood frame
- All joints are stapled and glued for long-lasting quality
- Springs are covered in fabric to prevent any squeaking from foam rubbing on the metal springs
- The sides of the chair have 1" thick foam to soften the edges
- The seat consists of 4" thick high-density foam that resists flattening for longer life and enhanced comfort
- Standard plastic legs are black with a wood-grain look
- 4" plastic legs are water-resistant

Options:

- **Senior Sizing only (recommended for ages 10+)**
- Available as single, two, and three seater
- Contrasting fabrics available on seat and back
- Available with black plastic or silver metal legs
- Available with removable seat cushion

Sea

The **Tub** chair collection, is exactly as the name displays. A tub chair, that surrounds the person seated in it, providing a shield from the outside world, and allowing creativity to flow unhindered. The short back allows for it to be placed anywhere in a room, without obscuring the view. This allows for the chairs to be used in a collaboration aspect also!

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched with the use of India tape to ensure long-lasting quality
- The frame has a solid oak base, with a beechwood frame
- All joints are stapled and glued for long-lasting quality
- Springs are covered in fabric to prevent any squeaking from foam rubbing on the metal springs
- The sides of the chair have 1" thick foam to soften the edges
- High density foam resists flattening for longer life and enhanced comfort

Options:

- Junior (recommended for ages up to 10) and senior sizing (recommended for ages 10+)
- Available in a single and two seater
- Contrasting fabrics available on seat and back
- Available with removable seat cushion for senior sizing

Tub

Via chairs, allow for both independent work or collaboration in groups of two. The curve on one side allows for you to sit and work independently without distractions. And the swivel mechanism enables the user to turn away from whatever distraction there may be, to ensure complete focus. With the curve available on either side, you can have one of each together to provide a quiet, environment for two peers to work together.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched with the use of India tape to ensure long-lasting quality
- The frame has a solid oak base, with a beechwood frame
- All joints are stapled and glued for long-lasting quality
- The sides of the chair have 1" thick foam to soften the edges
- 1.5" tall non-marring poly legs to protect the floor from damage
- High density foam resists flattening for longer life and enhanced comfort

Options:

- Junior (recommended for ages up to 10) and senior sizing (recommended for ages 10+)
- **Swivel only available on Senior Size**
- Curve to the left or right
- Contrasting fabrics available on seat and back

Straight lines and crisp edges give the **Ava** Collection a contemporary vibe, perfect for modern environments. Ava is available in square and rectangular shapes, each with a choice of two seat heights to accommodate both adults and children.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched and use India tape for long-lasting quality
- 1" Thick plywood base
- High density foam resists flattening for longer life and enhanced comfort
- Four 1.5" tall non-marking glides to protect the floor from damage

Options:

- Available in three heights
 - 14" (recommended for ages up to 8)
 - 16" (recommended for ages 9-12)
 - 18" (recommended for ages 13+)
- Available as a single or two seater ottoman

ava

The **Kae** tiered pieces provide a collaborative space for brainstorming. Creative use of the 3 different shapes enables an entire room to be outfitted with the Kae - all while providing ample space for all team members to allow their creativity to flow effortlessly.

Features:

- Frame made of solid 3/4" thick plywood
- The frame is covered completely with 2" thick high-density foam for ultimate comfort and to soften the edges
- High density foam resists flattening for longer life and enhanced comfort
- All joints are stapled and glued for long-lasting quality
- Double-stitched using India tape to ensure seams are durable and long-lasting

Options:

- Available as a corner piece, 2-Tier, and 3-Tier

The **Lax** collection is a lightweight de-escalation style chair, that provides easy and comfortable lounging for students of all ages. Lax is the perfect comfort piece for brainstorming and creative sessions among team members or individually. Its lightweight quality lends itself to being easily transported, allowing you to work with whoever, whenever!

Features:

- 3/4 inch thick plywood base
- High density foam resists flattening for longer life and enhanced comfort
- Six non-marking glides protect the floor
- Double-stitched using India tape to ensure seams are durable and long-lasting
- De-escalation style lounge chair

Options:

- Available in Junior (recommended for ages up to 10) and Senior sizing (recommended for ages 10+)

X
e

Leo is a curved bench, which, when placed together, can create unique setups that are excellent for collaboration between students. Leo is easy-to-move and can be arranged in many ways, from serpentine to a full circle configuration, depending on your space and how you want to put them to use.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched and use India tape for long-lasting quality
- 1" Thick plywood base
- High density foam resists flattening for longer life and enhanced comfort
- Five 1.5" tall non-marking glides to protect the floor from damage
- Outside curve: 42"
- Inside curve: 23.5"

Options:

- Available in three heights
 - 14" (recommended for ages up to 8)
 - 16" (recommended for ages 9-12)
 - 18" (recommended for ages 13+)
- Six pieces to make a complete 8' circle

Leo

The **Mya** stool features a smaller curve, requiring 8 to create a perfect circle. It can be used on its own or configured in a serpentine setup, half-circle, full circle, and many other ways. Mya allows you to use your creativity in designing how they are laid out, and in using them with your peers.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched and use India tape for long-lasting quality
- 1" Thick plywood base
- High density foam resists flattening for longer life and enhanced comfort
- Five 1.5" tall non-marking glides to protect the floor from damage
- Inside Curve: 23"W
- Outside Curve: 36"W

Options:

- Available in three heights
 - 14" (recommended for ages up to 8)
 - 16" (recommended for ages 9-12)
 - 18" (recommended for ages 13+)
- Eight pieces to make an 8' circle

The **Pad** is a simple 4" high cushion, that allows a comfortable seating area for you when working on the floor. Whether students are sitting on the floor listening to a book or working with their peers in building something out of recyclables, the Pad provides the needed comfort to make working on the floor an option.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched and use India tape for long-lasting quality
- 4" high, providing comfort for sitting on the floor
- High density foam resists flattening for longer life and enhanced comfort

Options:

- Available in a wide range of upholstery

Pad

37

38

The **Rio** is the cylinder of the stool family. When placed in a room full of straight lines and edges, Rio softens it and makes it feel like home. It is a classic style stool used in many ways: a footstool, a seat, you name it! As with our other stools it is also available in 3 distinct sizes, to fit your needs to perfection.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched and use India tape for long-lasting quality
- 1" Thick plywood base
- High density foam resists flattening for longer life and enhanced comfort
- Four 1.5" tall non-marking glides to protect the floor from damage

Options:

- Available in three different heights
 - 14" (recommended for ages up to 8)
 - 16" (recommended for ages 9-12)
 - 18" (recommended for ages 13+)

The **Uva** is a flower display, allowing students to sit around the middle, on the 5 petals, and discuss ideas or work on a project together. The middle is the meeting place of the minds. The look of the flower encourages creative thinking and gives students the opportunity to discuss those ideas.

Features:

- Foam is CAL TB117-2013 Fire Compliant
- Seams are double-stitched and use India tape for long-lasting quality
- 1" Thick plywood base
- High density foam resists flattening for longer life and enhanced comfort
- Four 1.5" tall non-marking glides, per piece, to protect the floor from damage
- Comes with one pistil and 5 petals

Options:

- Contrasting fabrics on pistil and petals
- **Junior Sizing only (recommended for ages up to 10)**

As an added feature to the Ace Collection, these occasional tables can be set in within the Ace seating. They provide the perfect compliment to the seating, enhancing its style and practicality.

Features:

- A combination of European Steamed Beech, powder-coated 14 ga. Steel and high-pressure laminate components
- Built to exceed BIFMA standards

Options:

- Choice of wood or powdercoated steel legs with color options
- Retractable health-care grade A/C receptacle with dual USB port
