KID ESSENTIALS®

[UNIQUE AREA RUGS FOR INSPIRED LEARNING CENTERS]

CLASSROOM SEATING

Discovery Blocks™ #2084

Discovery Blocks™ will quickly become a favorite classroom teaching tool. Children can practice image recognition while learning the basics of food groups, community helpers, favorite animals, seasons, counting, and more.

Patchwork Letters™ #1953

This brightly colored rug will create a perfect space in the classroom where children can sit and learn their letters. Alternating colored blocks make classroom organization a snap!

Alphabet Leaves™ #1892

Be sure to “leave” time for lots of fun when you’re learning the alphabet on Alphabet Leaves™. Follow the letters from A to Z, or choose a favorite spot for quiet reading or individual work.

Any Day Alphabet™ #1710

Young children who are learning the alphabet will enjoy this colorful rug with both upper and lowercase letters. You can also begin discussions about the seasons with the simple shapes in the corners, and the individual squares will be a great organizational tool in the classroom.

Lots of Dots™ #1430

Make the transition from chairs to floor much easier with this organizational rug. Each row has a color, and each child has a dot. With generously sized squares, kids can keep elbows and knees tucked inside.

Choose a Color™ #2052

With this organizational rug's significant sized circles, and multiple colors, it ensures everyone can have their own spot to sit.

Color Tones™ #1897

This simple yet functional rug is certain to be the focal point of any classroom with its bright and cheerful, multi-colored squares. Children will be eager to gather for playing, sharing, and circle time activities.

Time to Count™ #2022

Support number recognition and early counting skills with this brightly colored classroom rug. Alternating colored blocks make classroom organization as easy as 1, 2, 3!

Squares to Spare™ #2053

Designed with modern day classroom décor in mind, children and adults alike will be attracted to this understated, organizational carpet. Kids can easily choose their own space for games, circle time, and organizational activities.

Blocks Abound™ #1709

Don't have a "mental block" about getting "blocked out" of a space because "blocks abound" on this vibrant classroom carpet.

Animal Readers™ #2056

Simple, functional, and fun, Animal Readers™ features cute forest critters happily reading their favorite book. Use this delightful rug to dedicate a reading space in the classroom and generate excitement about reading and literacy.

Campfire Fun™ #2015

Bring the outdoors in and gather 'round the campfire for an afternoon of sharing, storytelling and group activities. Create a dramatic play center and "cook up" pretend smores for an easy camping theme that is certain to delight children and adults alike.

Stumped™ #2051

This delightful carpet is designed to create a whimsical woodland oasis where children can gather to play and learn. Accented with forest plants and critters, Stumped™ will attract and entertain teachers and their students throughout the school year.

Sit Around the Seasons™ #2023

Simple yet functional, Sit Around the Seasons™ highlights uniquely designed, seasonal icons where children can sit for sharing and story time. Use Sit Around the Seasons™ to help students understand the passage of time, teach them about changes in weather patterns, and spark conversation about nature and the environment.

Summer Friends™ #1717

Create a calming, backyard oasis with Summer Friends in your daycare or classroom. Friendly beetles, darting dragonflies, and fresh flowers will entice young and old to spend time on this whimsical carpet.

Merry Meadows™ #1961

Let nature be your playground with Merry Meadows™. This colorful carpet is certain to be an oasis of calm in the classroom....perfect for circle time discussions and group activities.

Full STEAM Ahead™ #1948

Develop essential STEAM skills in the early childhood classroom with Full STEAM Ahead™. Introduce children to these important concepts while they engage in everyday play.

STEAM into Learning™ #1956

With STEAM into Learning™, your students will be motivated to think, observe, explore, create and experiment throughout the day. Teach essential STEAM concepts and inspire discussions on creativity and innovation!

EARLY LEARNING

Learning Tree™ #2083

Children will be excited to sit amongst the branches of the Learning Tree™ for quiet reading or circle time activities. Follow the colorful letters from A-Z and see if you can spot the friendly forest critters living amongst the leaves.

Alphabet Blues™ #1628

Alphabet Blues™ will bring a smile to your child's face. They will quickly learn the phonetic sounds of the alphabet by identifying the fun animals, toys, and shapes pictured on the carpet.

Around the Block II™ #2009

A perennial best-seller in today's early childhood classrooms, numbers, uppercase and lowercase letters, seasons, shapes, animals, and fun are prominently displayed on this exciting classroom carpet.

Learn Through the Seasons™ #2049

This educational carpet features the upper and lowercase alphabet, numbers, colors, and seasons to create a multi-functional learning space where children will be eager to gather.

Alpha-Dots™ #1801

Simple lines and fresh, clean colors give an uncluttered look to this classroom carpet. The large alphabet letters on the colored dots are in sequence for young children, and shapes in the corners can be used as a beginning lesson in fractions.

Colorful Learning™ #2066

Colorful Learning™ boldly displays the uppercase alphabet while large sitting squares provide ample space for classroom organization. Begin discussions about color, shapes, and counting with the icons in each of the four corners.

Learning Letter Sounds™ #1926

Teach children from an early age that letters and sounds have a relationship. Students can sound out words, expand word recognition, and become more skilled and fluent readers and writers.

Fun-damentals™ #2047

Children will enjoy identifying the upper and lowercase alphabet, numbers, colors, and shapes on this bright and engaging rug... perfect for learning, sharing or circle time activities.

Lively Letters™ #2048

Reinforce the alphabet and numbers on a daily basis with Lively Letters™ in the classroom. Designed with simplicity in mind, this rug is certain to be a popular gathering spot for learning, circle time, or play time.

Alphabet Tiles™ #1874

This attractive rug combines organizational squares with letters of the alphabet to create a colorful and creative, multi-purpose teaching tool where children will love to gather.

Friendly Phonics Animals™ #2060

Incorporate phonics into your daily educational routine with Friendly Phonics Animals™. This brightly colored carpet includes space for individual seating along with playful images of characters to help support recognition of phonetic sounds.

Flags of the World™ #1444

Identify seven continents and major oceans in this stunning carpet with a global view. Flags represent countries from each continent, and students can find the country by matching color-coordinated dots.

World of Wonders™ #1910

Explore the continents and oceans of our earth and discover the boundless wealth of natural wonders in our world. Use this carpet for group discussions as children learn about the different ecosystems of each continent and the types of animals which thrive there.

Flags of Canada™ #1455

Canadian children will take pride in identifying their provinces and flags with this beautiful rug. Corresponding colored dots assist in matching the flags to the province.

Read Across America™ #1547

Americans love to read! From sea to shining sea and everywhere in between, we enjoy great books. So, no matter how busy the day, save a little time to read a good book. You'll be glad you did!

Number Jumpers™ #1775

Introduce early math concepts to students while providing an area for active play and engaged learning.

Elemental™ #1805

Perfect for STEAM or Makerspace areas, this brightly colored carpet featuring the periodic table will help students familiarize themselves with elements and inspire them to learn, explore, and discover.

Count with Me™ #2018
